Meeting was called to order by Suzie Williams at 4:01 pm.

1) Duties of SCC Training

All attending members were made aware of their duties on a school community council through a slideshow.

2) School Data / Performance Update

In 2025/2026 our school was in ATSI status for three student populations. Multilingual students, students on an IEP, and our hispanic population. As of Oct. 2026 our Hispanic polulation has been released from that status. As of Oct. 2026 our Multilingual students and IEP students have been escalated from ATSI to CSI status.

In the 2025/2026 school year a goal was made to have 60% of students show typical or above typical growth in reading using the State Acadience screener. 59.3% of students made typical or above typical growth. In the 2026/2027 school year administration has made the goal to have 65% of students make typical or above typical growth on the acadience screener.

3) Columbia Goals:

65% of students will make typical or better growth on Acadience.
RISE proficency scores will increase by at least 25%.
Decrease our at-risk and critical students' attendance to 10% and 2%.
As of October 2026 we had 29% of students missing more than 10% of school days.

4) Use of Land Trust and TSSA Funds

Each account has about $100k in them.
Land Trust was used for one full time teacher and one classroom aide.
TSSA was used for professional development, a full time substitute teacher, educational stipends, one instructional aide per grade (grades 2-6), and our wellness room.

5) Digital Citizenship

Discussed celebrating 'White Ribbon Week' and activities we could do to promote digital citizenship and safety online. To be discussed further with PTA and in the next meeting.

Meeting was called to adjourn by Mackenzie Ferrin at 4:32 pm, seconded by Abbey Knight.
