Need parents to attend Title 1 meeting October 1st at 9:30am at the District ASB building.

Land Trust: Was explained that the district buys land and leases it or sells it. They give a percentage of that to the schools. The schools must tell what the money is being used for.

With the land trust money Columbia receives RTI teacher is paid. Last years Land Trust money was used to pay for RTI teacher's salary: Mrs. Dorenbosch. RTI is for students who need addition help. She teaches K-3 grades.

There is some rollover from last year and would like to use it to pay for an additional RTI aide. Will discuss at another meeting.

The new sidewalk at front entrance has made it safer for walking students.

SNAP plan may not change much.

We will plan the next meeting on Oct. 1st at Title 1 meeting.
